

CLASSES

NewTV is looking to expand its current roster this upcoming Fall and Winter and we want your input. Submit your ideas to our Member Services Coordinator, Michael Crossen-Sills at michaelcs@newtv.org

NewTV Orientation

Welcome to NewTV

Instructor: Steve Russo, Andrew Eldridge & Michael Crossen-Sills

Learn about all the wonderful opportunities offered at our state-of-the-art media center. A prerequisite for all NewTV course offerings.

Monday, June 6, 7pm
Monday, July 11, 7pm
Monday, August 1, 7pm

Studio Production

Basic Studio Production (Three Classes)

Instructor: Andrew Eldridge

Learn the technical and conceptual aspects of producing your own studio program. Includes hands-on instruction on cameras, tripods, set design, lighting, sound and much more.

Wednesday, July 6, 13 & 20, 7-9pm

Broadcast Pix & Robotic Camera Operation (Two Classes)

Instructor: Andrew Eldridge

Be a one-person show! A hands-on overview of the Broadcast Pix switcher system and robotic camera equipment. This class is a requirement for Studio B/Control B certification. Recommended for all studio producers, directors and crew.

Tuesday, August 16 & 23, 7-9pm

On Air Talent & Interview Techniques

Instructor: Jenn Adams

Attention aspiring broadcast journalists and on-screen anchors! Learn how to conduct yourself on-camera and during interviews with Newton News' own Jenn Adams.

Tuesday, July 19, 7pm

Post Production

Basic Final Cut Pro (Three Classes)

Instructor: Andrew Eldridge & Michael Crossen-Sills

Learn the basics of FCP on the Mac; includes how to insert and over-write edits, use of transitions and effects, audio mixing, graphics, and much more.

Thursday, July 7, 14, \$ 21, 6:30pm
Mon., August 8 – Wed., August 10, 6:30pm

Advanced Final Cut Pro

Instructor: Michael Crossen-Sills

Dive in and explore the advanced functions of FCP. Polish your edits, learn about keyframing, add motion, fix and sweeten your audio, multiclip edit and color correct.

Sunday, July 24, 12pm

Field Production

Understanding HD

Instructor: Andrew Eldridge & Michael Crossen-Sills

Learn about high definition technology and how it applies to NewTV. Course includes an in-depth look at HD cameras, formats, workflows, compression, distribution and more. Course is highly recommended but not required for NewTV's HD camera use.

Monday, June 20, 7pm

Basic Field Production (One Class)

Instructor: Ken Brady, Jesse Kreitzer & Michael Crossen-Sills

A hands-on workshop introducing you to the Sony NXCam, a tapeless HD camera and the Sony PD-170. Learn the basic operations of these cameras and how to use them for your next production.

Wednesday, June 29, 7pm
Wednesday, July 27, 7pm
Wednesday, August 17, 7pm

Advanced Field Production (Two Classes)

Instructor: Andrew Eldridge, Jesse Kreitzer & Michael Crossen-Sills

Courses includes an in-depth look at effective field lighting techniques, sound and camera operation. Become a confident field producer and put your skills to the test.

Thursday, August 4 & 11, 7pm

NewTV SUMMER 2011 CLASS REGISTRATION FORM

Classes continued...

Other Workshops

Final Cut Power Hour

By appointment only

Contact NewTV staff members Andrew Eldridge or Michael Crossen-Sills for a one hour private help session with your current FCP project.

Introduction to Mac OS

By appointment only

Learn the basics of the Mac operating system. Open to members for home use & general computer knowledge. Please book in advance with Kathleen Golden.

Laptop Computer Certification

By appointment only

Looking to work on your project from the comfort of your home? Get certified on NewTV's laptops and get your project done!

NewTV SUMMER 2011 CLASS REGISTRATION

Courses will begin the week of July 6.

All classes will be held at NewTV, 23 Needham St., Newton MA 02461

To use NewTV's television equipment, you must first be a member in good standing and attend an Orientation Session.

For Membership Info:

Contact the Member Services Coordinator at 617.965.7200 x112. If you already know how to use TV equipment, contact the Member Services Coordinator to see if you are eligible to take a "Proficiency Test" instead of a course.

All NewTV classes are free to members, however, there is a one-time materials fee of \$15 for all first time students. This will cover all handouts you'll receive from NewTV while attending any of our classes. Please include the \$15 fee with your registration if necessary.

Class space is limited, so please sign up early. If you are unable to attend a reserved class, please call in advance and inform the appropriate instructor.
